

Exposure visit of Forest Ranger, AP Forest Academy, Hyderabad

Twenty eight Forest Range Officers undergoing training at Andhra Pradesh Forest Academy, Hyderabad visited BCDI, Agartala on 6th Feb. 2013

Dr. Abhinav Kant, In-Charge, BCDI formally welcomed the trainees for one day exposure visit. He shared a presentation on Product Diversification, bamboo products and Value Addition with recent advancements in the bamboo sector.. He emphasized the need of bamboo processing machines for faster and quality production of various handicraft items.

The rangers were briefed about the processing steps for product development and a detailed demonstration was given for an in-depth understanding. Mechanised mat making and bamboo flooring was firsthand experience for all the participants.
