

MoU signed between USTM and BCDI

A memorandum of understanding (MoU) was signed between University of Science and Technology Meghalaya and BCDI, Agartala on 21st December 2012 at NEDFi House Guwahati. Both the institutions were agreed to work together and to train and develop skills and technology in handicrafts sectors. BCDI and USTM proposed to begin various training courses in Cane and Bamboo including Post Graduate Diploma Course in Bamboo Cultivation and Resource Utilization. BCDI and USTM will work towards making the courses job oriented and the leading courses in the industry.
