

Training on Advanced value addition skills and techniques for bamboo handicrafts/jewellerys organized by Centre for Forest Based Livelihoods and Extension

Training on Advanced value addition skills and techniques for bamboo handicrafts/jewellerys was organized by CFLE, Agartala. During this training BCDI worked as a resource centre where participants used machine processed jewellery components for assembling and final product development activity. Participants get exposure on different chemical treatment and finishing techniques. The objective of the training was to promote the Forest base Livelihood in rural area.
